DESCRIPTION OF PROJECT

1. Project Classification

[Check those applicable - refer to Part 1110.40 and Part 1120.20(b)]

Part 1	Part 1110 Classification:		
X	Change of Ownership		
	Discontinuation of an Existing Health Care Facility or of a category of service		
	Establishment or expansion of a neonatal intensive care or beds		

2. Narrative Description

In the space below, provide a brief narrative description of the project. Explain WHAT is to be done in State Board defined terms, NOT WHY it is being done. If the project site does NOT have a street address, include a legal description of the site. Include the rationale regarding the project's classification as substantive or non-substantive.

Advocate Health Care Network ("Advocate") and Aurora Health Care, Inc. ("Aurora") have entered into an Affiliation Agreement dated as of December 4, 2017. Under this Affiliation Agreement, subject to Review Board and other approvals, Advocate and Aurora agree to affiliate their organizations under the name Advocate Aurora Health, Inc. ("Advocate Aurora Health"). This application is part of a series of 15 applications seeking Review Board approval for Certificates of Exemption ("COEs") for changes of ownership.

Aurora is the not-for-profit parent organization of an integrated health care delivery system that provides a full continuum of health care services to communities primarily in Wisconsin. Aurora's operations do not include any Illinois health care facilities as defined by the Planning Act. Advocate is the parent organization of a faith-based not-for-profit population health management system that provides the full continuum of health care services to communities in Illinois. Advocate's operations include 11 hospitals in Illinois, and additional healthcare facilities in which it has partial ownership interests.

To effect the affiliation, Advocate and Aurora have formed a new corporate entity "Advocate Aurora Health, Inc." which will be the parent entity for Advocate and Aurora. Upon consummating the transaction, Advocate Aurora Health will become the sole corporate member of each Advocate and Aurora. As shown in the organization charts included in this Application, Advocate related facilities will continue operations under the Advocate corporate structure and Aurora related entities will continue to operate under the Aurora corporate structure. The current CEOs of Advocate and Aurora respectively will become Co-CEOs of Advocate Aurora Health. Following the closing, the Advocate Aurora Health Board will consist of 14 members, six designated by Aurora, six designated by Advocate and the Co-CEOs of Advocate Aurora Health.

Advocate and its direct affiliates currently operate the following 11 hospitals:

Advocate BroMenn Medical, Normal
Advocate Christ Medical Center, Oak Lawn
Advocate Condell Medical Center, Libertyville
Advocate Eureka Hospital, Eureka
Advocate Good Samaritan Hospital, Downers Grove
Advocate Good Shepherd Hospital, Barrington
Advocate Illinois Masonic Medical Center, Chicago
Advocate Lutheran General Hospital, Park Ridge
Advocate Sherman Hospital, Elgin
Advocate South Suburban Hospital, Hazel Crest
Advocate Trinity Hospital, Chicago

In addition, Advocate also has an ownership interest of 50% or more or other indicia of control in the following licensed health care facilities

Bromenn Comfort and Care Suites Dreyer Ambulatory Surgery Center, Aurora RML Specialty Hospital, Chicago RML Specialty Hospital, Hinsdale Sherman West Court, Elgin

All of the above listed Advocate related facilities are included in the series of COE applications with the exception of Sherman West Court which is exempt for COE change of ownership because it is licensed under the Nursing Home Care Act. The applicants will notify the Review Board upon the change of ownership of Sherman West Court.

The proposed transaction will not directly affect the licensed entity of the health care facilities listed above not affect the legal entity that owns the physical plant of the facilities.

There will be no direct exchange of funds between Advocate and Aurora as a part of this transaction. As this transaction is an affiliation of the two organizations there is no acquisition price. The Applicants wish to close April 1, 2018 or as soon as the Certificate of Exemption and federal regulatory approval is received.

Section III, Alternatives

Attachment 13, Alternatives

In compliance with the Review Board's review criterion to address alternatives, the Applicants submit the following:

- 1. Other Affiliations with Health Care Systems. Advocate and Aurora continually evaluate opportunities with other high quality providers, with an eye toward enhancing the care that patients receive. Previously, Advocate explored an affiliation with NorthShore University Health System and had submitted Change of Ownership Exemption applications to the Review Board, which the Board had approved. That proposed affiliation was not completed.
- 2. Proposed Transaction between Advocate and Aurora. Advocate and Aurora are excited about the possible combination of the two systems. The proposed transaction is subject to review by federal regulators; however, as the parties' service areas are generally adjacent with very little overlap, if any, the parties are hopeful that federal regulators will approve the transaction. Both Aurora and Advocate are not-for-profit health care systems that share a cultural and strategic commitment to transforming the health care delivery model to provide value-based service. The Applicants believe that the combination of the two systems is the best opportunity to provide better, more efficient high quality care in the communities they serve.

("Aurora"), along with the post-closing ownership structure of Advocate Aurora Health, Inc., is included in Attachment 4. Good standing certificates for each of the Applicants are included in Attachment 1.

2. <u>1130.520(b)(1)(B)</u>, <u>Background of Parties</u>: Each of the Applicants, by their signatures to the Certification pages of this application, attest that they are fit, willing, able and have the qualifications, background and character to adequately provide a proper standard of health service for the community.

By their signatures on the Certification pages to this application, each of the Applicants attest that no adverse action has been taken against any facility owned and/or operated by each of them during the three (3) years prior to the filing of this application.

3. <u>1130.520(b)(1)(C)</u>, <u>Structure of the Transaction</u>: Advocate Health Network ("Advocate") and Aurora Health Care, Inc. ("Aurora") have entered into an Affiliation Agreement dated as of December 4, 2017. Under this Affiliation Agreement, subject to Review Board and other approvals, Advocate and Aurora agree to affiliate their organizations under the name Advocate Aurora Health, Inc. ("Advocate Aurora Health").

Aurora is the not-for-profit parent of an integrated health care delivery system that provides a full continuum of health care services to communities primarily in Wisconsin. Aurora's operations do not include any Illinois health care facilities as defined by the Planning Act. Advocate's operations include 11 hospitals in Illinois, and additional healthcare facilities in which it has partial ownership interests.

The proposed transaction will not directly affect the licensed entity of the health care facilities included in this series of COE applications nor affect the legal entity that owns the physical plant of the facilities.

There will be no direct exchange of funds between Advocate and Aurora as a part of this transaction. As this transaction is an affiliation of the two organizations there is no acquisition price.
